STATEMENT  
MADE TO  
MCLAUGHLIN'S  
PROBATION  
OFFICER  
RE 3KN-15-630

On 05/07/15 the D admitted to his 4th Supplemental PTRP #3, and he was sentenced to a Rule 11 in his felony probation case in 3HO-06-506CR before Judge Bauman as follows: 13 months flat time imposed and probation terminated.

He is pending new drug possession charges in 3KN-15-630CR for which ADA Browning may not be able to get a conviction, and I was informed that it may take a year to even get resolved. If she gets a conviction she intends to get a flat sentence nonetheless. The D was released on bail at yesterday's disposition hearing pending the above matter.

The file is to be forwarded to our closed records.

ON 03/26/2015 AT 16:58 WGFENSKE AND NO SECONDARY CONTACT MADE A SUPERVISION CONTACT WITH THE RESULT OF SUCCESSFUL.

On 3/26/2015 I was called by AST Dispatch. They informed me that Trooper Woodruff was in contact with D, who was a passenger in a vehicle, and noted that he had a stop and hold search and report in APSIN. I reviewed D's conditions of probation, and requested that Trooper Woodruff obtain a PBT sample from D, and that he search the area within D's immediate reach within the vehicle. I also asked that AST contact me after the search and PBT are completed, so that reporting instructions could be given to D. I subsequently spoke with Trooper Woodruff, who informed me that a small amount of methamphetamine was found between the driver's seat and center console of the vehicle in which D was in the passenger seat. Trooper Woodruff indicated that D was in the passenger seat of a vehicle in which Clifford Albrecht was also present. A nearby vehicle was occupied by Carrie Ann Causa. D provided a PBT sample which showed his BrAC to be .069%. I requested that D be arrested for probation violations. I subsequently contacted Sgt. Weeks at WPTF and requested that his staff obtain a UA from D, and notify KPO of its results. At approx. 18:53 Trooper Woodruff called and informed me that Ms. Causa had consented to a search of her vehicle, and during that search Troopers found a bag behind the passenger seat which contained 4 xanax, 3 valium, and a drug kit. Ms. Causa attributed ownership of the bag to D. Information to be forwarded to PO Howard for further action/filing of supplemental PTRP.
